FACT Packs Food Drive

The St. Cloud Kiwanis AKTION Club is collecting food donations to help the FACT organization create FACT Break Boxes. FACT Packs are one gallon zipper bags that contain a child-friendly, non-perishable breakfast, lunch and snack for each day school is not in session.

Bags are packed by volunteers during the monthly pack sessions and delivered to schools. Each FACT Pack is discreetly placed in student backpacks by volunteers, teachers, and staff members on Fridays or the last day of school before break.
